If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither the Altitude nor Picard presently know, or that the Altitude or Picard currently believe are immaterial, that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect the Altitude's and Picard's expectations, plans, or forecasts of future events and views as of the date of this Current Report and the exhibits hereto. The Altitude and Picard anticipate that subsequent events and developments will cause the Altitude's and Picard's assessments to change.
